

## Advertising on Kelkoo.no

Kelkoo is a service helping consumers compare prices on the net. Their goal is to bring e-business to the masses in a fast and secure way. Kelkoo enables Webstores access to their substantial and increasing customer base.

Kelkoo, established in october 1999 by Pierre Chappaz and Maurizio Lopez.. Kelkoo is today Europes leading price comparesing site, and the 3rd largest shopping site after Amazon and eBay.

Kelkoo operates in 10 countries and have 27.259.436 leads to online stores and 24.834.174 monthly users (figures from May 2004). The norwegian service Zoomit was established in 1998 and merged with Kelkoo in the autumn of 2000. Kelkoo became part of Yahoo in 2004.

NorProvider AS are partnering with Kelkoo.no. As a result our entire online product line are available by search on Kelkoo.no. NorProvider AS are looking forward to welcomming even more customers to our online store. We would like to welcome new customers from Kelkoo.no to NorProvider online and thank all existing ones for their custom.
